

QUASE todos os dias, o JORNAL SATÉLITE recebe e-mails e até ligações de leitores reclamando dos “mendigos” que estão tomando calçadas e gramados de locais públicos do centro de Taguatinga.

É comum ver tais “mendigos” não só em semáforos, pedindo esmola, mas também em portas de lojas incomodando empresários e fregueses. Muitas mulheres reclamam que se sentem ameaçadas. As pessoas dão esmola com medo de sofrer um assalto ou algum ato violento. Há os que pedem dinheiro, outros roubam e ainda há aqueles que amendrontam, principalmente as crianças, fazendo gestos obscenos, parecendo estar sob efeito de drogas. Na falta de providências, os “mendigos” estão cada vez mais atrevidos e fazem das ruas de Taguatinga as suas casas.

Flagramos alguns

moradores de rua dormindo no gramado e até debaixo de uma barraquinha que eles próprios montaram ao lado da EIT, na Comercial Norte, a alguns metros da Administração Regional. E há uma recorrência, no caso: a população reclama, a PM age, os “mendigos” somem.
